Mobile (Phones and Tablets) Version 0.8.3 The game was released for the first time September 6, 2019 for Android version and September 7 for iOS version. Version 0.8.4 This update was released on September 17, 2019: Now the player cannot fall over the floor of the staircase toward the sewer. Objects no longer jam in the Player. Fixed so grandpa doesn't get overwhelmed forever when he shoots in his sleep. Grandpa doesn't become two grandfathers when he's overwhelmed and then gets shot with a shotgun. Grandma and grandfather don't spawn on the same floor as a player after they're shot. Fixed so that the player can not climb on the chest of drawers. Version 1.0 This update was released October 30, 2019: NOTE: This update does not alert grandma and now the player will communicate on the piano tile. Version 1.0.1 This update was released October 31, 2019: Fixed walking dead child glitch version 1.1 This update was released on February 26, 2019. 2020: NOTE: This update completely changed grandma and grandfather's AI, made both grandma and grandfather turn their heads towards the player if you saw it, and it has now made the player approach Vent from the guest bedroom. Version 1.1.5 This update was released april 8, 2020: Added nightmare mode. A slightly brighter environment. He changed the structure in the sewer. I fixed some little bugs. NOTE: This update changed the item's location and fixed grandfather and grandmother's AI because they also couldn't hear Iron Maiden or hear each other get knocked out), which is heard back to the way it was before. Version 1.1.6 This update was released November 12, 2020: Bug fix The Dvloper intro logo now has a new animation. The game endless loads for me (who made this adjustment), so please fill in the rest of the new stuff, thank you! PC (Desktop and Laptop) Version 1.0 The game was released on December 30, 2019 for Windows. Version 1.1 This update was released march 4, 2020: More places to explore in the house. A new way to escape from home. A new weapon. New items you can search for. New Scene Game Over. Fixed some bugs in Version 1.1.5 This update was released on April 2, 2020: Added Nightmare Mode. A slightly

brighter environment. He changed the structure in the sewer. I fixed some little bugs. Version 1.1.6 is not yet released, but probably comes to the PC because it is a patch. Community content is under CC-BY-SA, unless otherwise stated. Noted.
